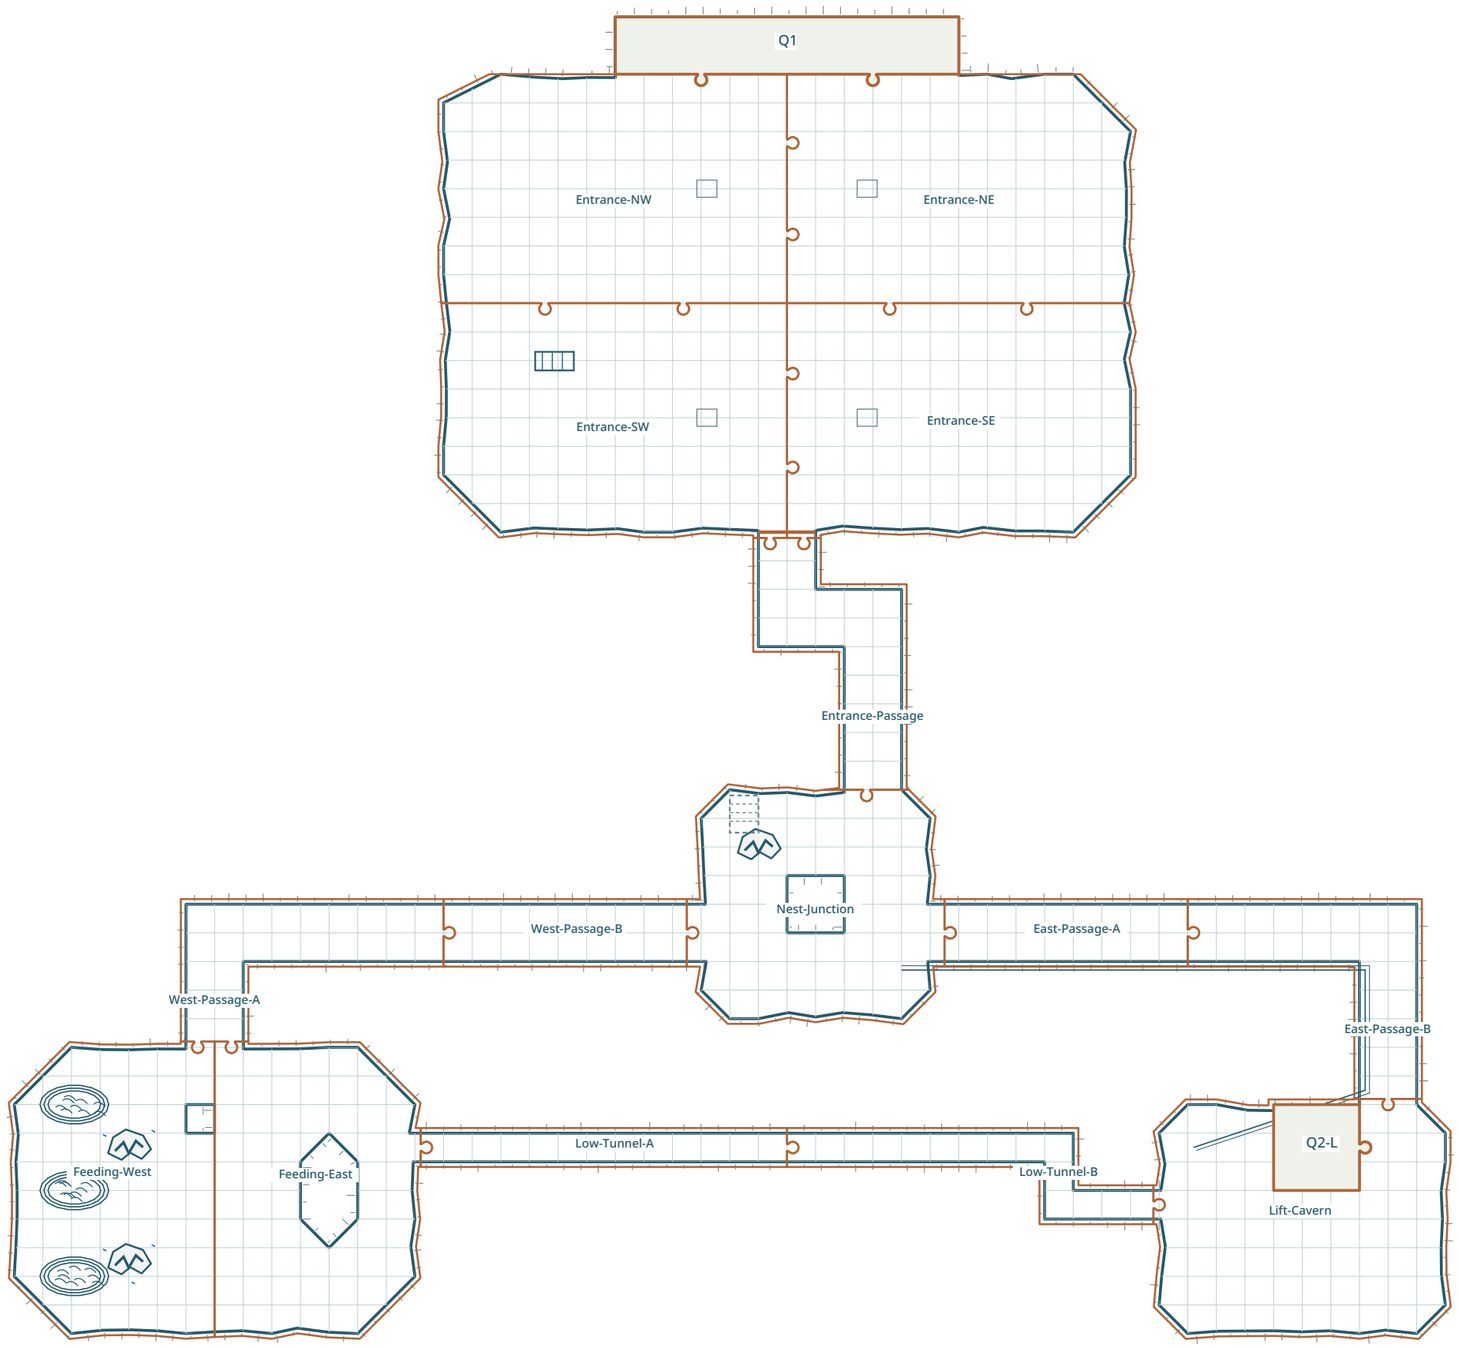
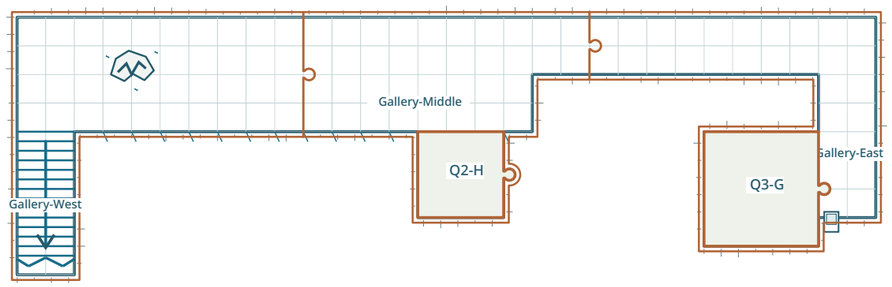
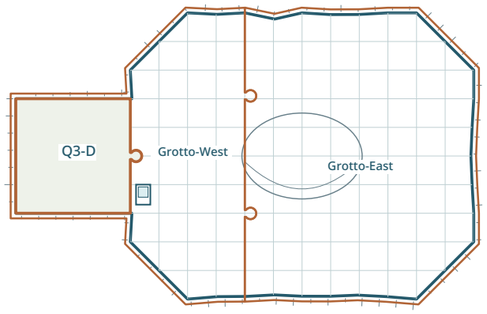
ASSEMBLY / 11 x 14 CHIPBOARD

32 finished pieces / 12 x 24 mat / one-inch squares / thin rust lines show backing joins







Q1: exchange the complete mouth strip. The entrance hall uses four permanent sections.

Q2: move the slab between docks. Q3: exchange the occupied and empty berth inserts.

Printed cardstock panels are permanently glued onto each named backing before play.

Ship: one 10 x 11.8-inch hull plus a separate ramp. Anomaly and case remain movable tokens.
