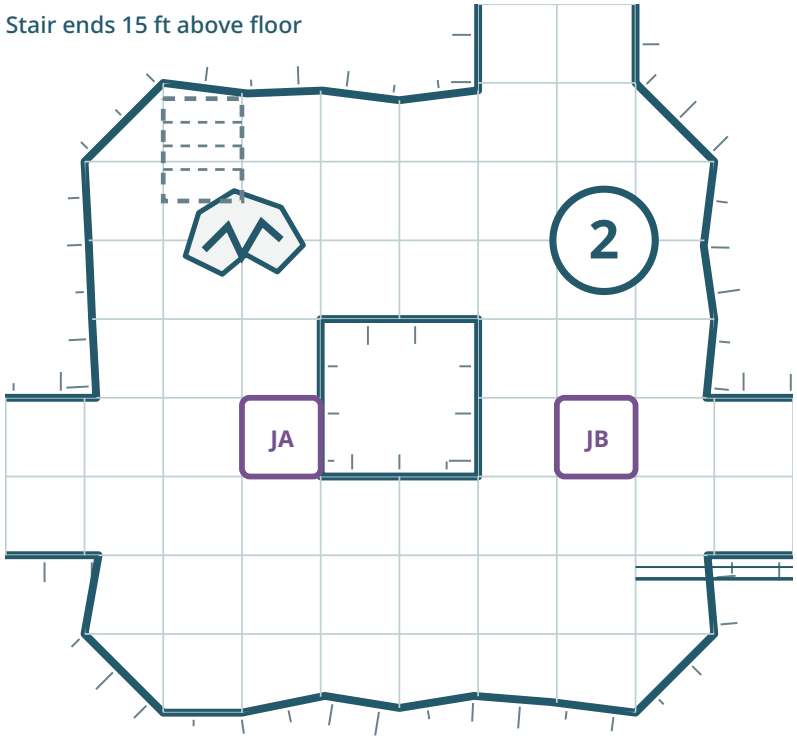
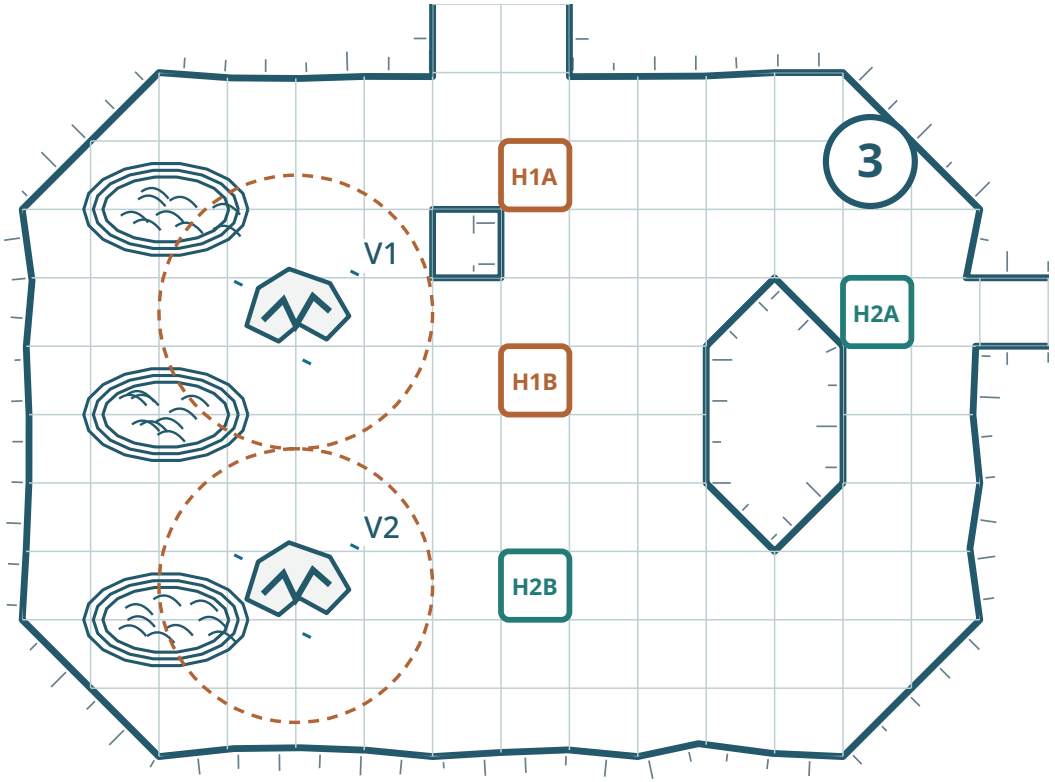
QUANTUM COVER • PLACEMENT

Same map geometry • north up • 5-foot squares • all stones start at A





J • Junction stone

J: white-striped stone beside the buttress.

H1 / H2 • Feeding Hollow

White-striped H1 / split-topped H2.

At round start, each unstabilized stone moves A / B.

Fix Your Gaze: 1 action; holds one stone through the next round-start shift.

Occupied destination or a creature standing on the stone: it stays this round.

Each stone occupies one square and grants standard cover across its position.

Existing printed buttresses, nests and vents remain fixed.

Cut 3 stone tiles. The 6 small position markers are optional paper pieces.
