Electrovore Pawns

Print at 100% / Actual size. Dashed lines are hand-score and fold guides.

Score four lines on each body strip before folding.

Wrap the two panels around a board core; glue both sides to the core.

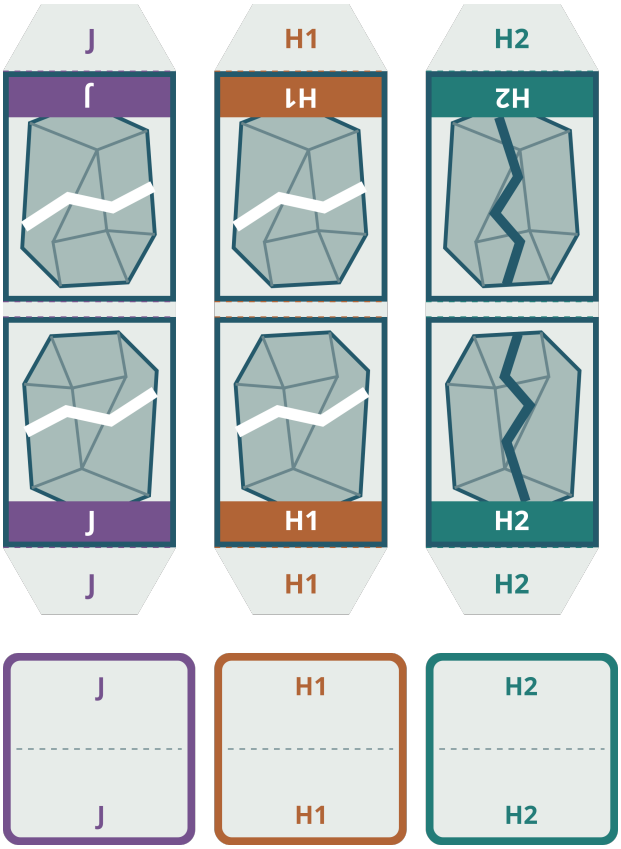

Fold the two bottom feet outward, then glue them to the matching base.

One-inch base footprint. Electrovore height: 1.65 in; stone height: 1.2 in.

Measure this square: exactly 1 inch.

Quantum Stone Pawns

Print at 100% / Actual size. Dashed lines are hand-score and fold guides.

Score four lines on each body strip before folding.

Wrap the two panels around a board core; glue both sides to the core.

Fold the two bottom feet outward, then glue them to the matching base.

One-inch base footprint. Electrovore height: 1.65 in; stone height: 1.2 in.
